

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis & Kathryn Dattomo
DOCKET NO.: 09-30252.001-R-1
PARCEL NO.: 15-27-422-046-0000

The parties of record before the Property Tax Appeal Board are Louis & Kathryn Dattomo, the appellants, by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$471
IMPR.: \$24,429
TOTAL: \$24,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story townhouse of masonry construction. The dwelling is approximately two years old and has 1,960 square feet of living area. Features of the home include a concrete slab foundation, central air conditioning, and a two-car garage. The property has a 943 square foot site and is located in Brookfield, Proviso Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation

argument, the appellant submitted an appraisal estimating the subject property had a market value of \$249,000 as of November 2, 2010. In support of the inequity argument, the appellant submitted four equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,179. The subject's assessment reflects a market value of \$33,708 or \$17.20 per square foot of living area, including land, when applying the 2009 three year average median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties, three of which were sales.

Conclusion of Law

The appellant contends in part the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appraiser made logical adjustments to arrive at a final conclusion of value. The board of review made no adjustments to their comparable sales. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$249,000 as of the assessment date at issue. Since market value has been established, the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

Based on the reduction granted in the market value finding, the Board finds a further reduction in the subject's assessment based on assessment inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
