

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suhail Assaf  
DOCKET NO.: 09-30522.001-C-1 through 09-30522.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Suhail Assaf, the appellant, by attorney Lisa A. Marino, of Marino & Assoc., PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-30522.001-C-1	20-32-104-001-0000	\$7,092	\$29,487	\$36,579
09-30522.002-C-1	20-32-104-002-0000	\$5,465	\$456	\$5,921

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story masonry constructed fast food restaurant building. The improvement contains approximately 1,375 square feet of building area and was constructed in 1978. Features include a drive-thru window. The building is located on a 6,089 square foot site in Lake Township Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$170,000 as of January 1, 2009. The appraiser developed all three traditional approaches to value to estimate an opinion of value for the subject property. The appellant also submitted assessment information indicating the Cook County Board of Review established the 2009 total assessment for the subject of \$77,172 which reflects a market value of approximately \$308,688 using the Cook County Real Property Assessment Classification Ordinance level of assessments for Class 5A property of 25%. Based on this

evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$170,000 as of January 1, 2009. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$170,000 as of January 1, 2009. Since market value has been determined the 25% level of assessment for Class 5A property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
