

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Boyd
DOCKET NO.: 09-30777.001-R-1
PARCEL NO.: 19-04-417-002-0000

The parties of record before the Property Tax Appeal Board are Mike Boyd, the appellant, by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,780
IMPR.: \$3,696
TOTAL: \$7,476

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 3,780 square foot parcel of land improved with a 54-year old, one-story, frame and masonry, single-family dwelling containing 1,008 square feet of living area, one full bath, a full basement, and a two-car garage. The appellant argued that the fair market value of the subject was not accurately reflected in its assessed value and assessment inequity as the basis of the appeal.

In support of the market value argument, the appellant submitted recent sale data on the subject as well as copies of a printout from the Cook County Recorder of Deeds office. The appellant's pleadings indicate: that the subject was purchased on June 22, 2008 for \$84,000; that the sale was not between related parties;

that the parties were represented by real estate brokers; and that the property was sold in settlement of foreclosure. The appellant also submitted three equity comparables. Based upon this evidence, the appellant requested a reduction in valuation.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$16,894 was disclosed. The subject's final assessment reflects a fair market value of \$189,820 when the Illinois Department of Revenue's 2009 three-year median level of assessment of 8.90% for Cook County Class 2 properties is applied.

In support of the subject's assessment, the board of review presented descriptions and assessment information on four properties suggested as comparable. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the market value evidence presented, the Board concludes that this evidence indicates a reduction is not warranted.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the subject sale is a compulsory sale.

A "compulsory sale" is defined as

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a

result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) (citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211, 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sales of comparable properties which were submitted by the parties. The Board finds that the appellant failed to provide any market sales of properties within the subject's area to establish that the subject's compulsory sale was at market value. Therefore, the Board finds that the appellant failed to carry its burden of proof and a reduction in the subject's assessment based on market value is not warranted.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code

§1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

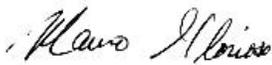

The Board finds the best evidence of assessment equity to be *the appellant's comparable #3 and all of the board of review's comparables*. These comparables had improvement assessments that ranged from \$10.48 to \$13.31 per square foot of living area. The subject's improvement assessment of \$13.01 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not justified*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
