

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Doug Collinger
DOCKET NO.: 09-31253.001-R-1
PARCEL NO.: 06-22-302-016-0000

The parties of record before the Property Tax Appeal Board are Doug Collinger, the appellant, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,914
IMPR: \$0
TOTAL: \$1,914

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant commercial site containing 38,269 square feet of land area. The property is located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance").

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables with the same assessment classification code as the subject property. The comparables ranged in size from 45,868 to 232,823 square feet of land area and had land assessments ranging from \$2,293 to \$5,354 or \$.02 and \$.05 per square foot of land area. The appellant requested the subject's assessment be reduced to \$1,530 or \$.04 per square foot of land area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,701 or \$.75 per square foot of land area. The subject's assessment reflects a market value of \$287,010 or \$7.50 per square foot of land area when applying the Ordinance level of assessments for class 1-00 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that sold from 2004 to 2006 for prices ranging from \$97,500 to \$4,499,500 or from \$4.39 to \$15.75 per square foot of land area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had land assessments of \$.02 and \$.05 per square foot of land area. The two comparables most similar to the subject in size each had a land assessment of \$.05 per square foot of land area. The subject's land assessment of \$.75 per square foot of land area falls above the range established by the best comparables in this record. Little weight was given the board of review market value analysis using five comparable sales because this did not

address the appellant's assessment equity argument. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
