

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elias Sanchez
DOCKET NO.: 09-32194.001-R-1
PARCEL NO.: 16-11-128-001-0000

The parties of record before the Property Tax Appeal Board are Elias Sanchez, the appellant(s), by attorney Edward P. Larkin, of Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,598
IMPR.: \$ 9,872
TOTAL: \$ 13,470

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one and one-half-story dwelling of frame construction with 1,649 square feet of living area. The dwelling is 76 years old. Features of the home include one bath, a full unfinished basement, central air conditioning, and a two-car garage. The property has a 2,570 square foot site, and is located in West Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 19, 2008 for a price of \$22,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,470. The subject's assessment reflects a market value of \$151,348, or \$91.78 per square foot of living area, including land, when applying the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The board of review submitted evidence disclosing the subject property was purchased on August 19, 2008 for a price of \$22,000 pursuant to a foreclosure. Additionally, the board of review submitted information on three comparable sales.

In rebuttal, the appellant's attorney stated that the subject sold for \$22,000 on August 19, 2008.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in August 2008 for \$22,000 is not indicative of the subject's fair cash value. When there is a recent sale of the subject, and that sale is a foreclosure, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill.App.3d 652, 657-58. In this case, the appellant did not submit any such evidence to show that the sale of the subject in

August 2008 for \$22,000 was at its fair cash value. Such evidence could have included the descriptive and sales information for recently sold properties that are similar to the subject. See *id.* Since there is no evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
