

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Schoeb
DOCKET NO.: 09-33155.001-R-1
PARCEL NO.: 17-30-109-025-0000

The parties of record before the Property Tax Appeal Board are Joseph Schoeb, the appellant, by attorney Richard Shapiro, in Evanston, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,880
IMPR.: \$18,623
TOTAL: \$33,503

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 94-year-old, two-story masonry multi-family building containing 11,186 square feet of building area. Features include a full unfinished basement. The property is located in Chicago, West Chicago, Township, Cook County.

The appellant contends the assessment of the subject property is inequitable. In support of this argument, the appellant submitted descriptions and assessment information on four comparables located within 6.6-miles of the subject property. The comparables consist of two-story or three-story masonry or frame and masonry multi-family dwellings. The buildings range in age from 96 to 125 years old and range in size from 10,524 to 14,939 square feet of building area. The data provided by the appellant indicated the comparables had improvement assessments ranging from \$17,645 to \$23,245 or from \$1.56 to \$1.73 per square foot of building area. The appellant submitted a copy of the re-review decision issued by the board of review. The appellant also reported that the subject property had an improvement assessment of \$24,339 or \$2.18 per square foot of building area. Based on this evidence the appellant requested the subject's

improvement assessment be reduced to \$18,623 or \$1.66 per square foot of building area.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on four assessment comparables to demonstrate the subject was inequitably assessed. These comparables had improvement assessments that ranged from \$17,645 to \$23,245 or from \$1.56 to \$1.73 per square foot of building area. The subject has an improvement assessment of \$24,339 or \$2.18 per square foot of building area, which is above the range established by the comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted in accordance with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
