

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: D. Milton Salzer
DOCKET NO.: 09-34887.001-R-1
PARCEL NO.: 04-08-409-001-0000

The parties of record before the Property Tax Appeal Board are D. Milton Salzer, the appellant, by attorney Glenn S. Guttman of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$8,336
IMPR.: \$52,128
TOTAL: \$60,464**

Subject only to the State multiplier as applicable.

ANALYSIS

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction. The dwelling is approximately 38 years old and has 2,896 square feet of living area. Features of the home include a full unfinished basement, central air

conditioning, a fireplace and a two-car garage. The property has a 12,826 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,904. The subject property has an improvement assessment of \$54,568 or \$18.84 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

In rebuttal, the appellant's attorney stated that the appellant's comparables were located closer to the subject property than the comparables submitted by the board of review.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that all of the comparables submitted had lower improvement assessments on a per square foot basis than the subject property. The Board further finds that the best evidence of assessment equity to be appellant's comparable #3 and board of review comparables #2 through #4. These comparables had improvement assessments that ranged from \$16.56 to \$18.64 per square foot of living area. These comparables were very similar to the subject in living area and were also similar in location, age, and foundation. The subject's improvement assessment of \$18.84 per square foot of living area

falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
