

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sriporn Gewolb
DOCKET NO.: 09-35040.001-R-1
PARCEL NO.: 04-28-301-077-0000

The parties of record before the Property Tax Appeal Board are Sriporn Gewolb, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,507
IMPR.: \$ 51,798
TOTAL: \$ 58,305

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 3,292 square feet of living area. The dwelling is 40 years old. Features of the home include a full

basement, central air conditioning, and a two-car garage. The property has a 10,001 square foot site, and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted two pages from an appraisal estimating the subject property had a market value of \$525,000 as of November 6, 2009. Three sale comparables were provided, however, the "Additional Comments" pages were missing from the appraisal.

Under the sales comparison approach, the appraiser analyzed three suggested comparable properties located in the subject's neighborhood. The properties ranged: in square footage of living area from 2,633 to 3,454 square feet; in sale date from July 2009 through October 2009; and in unadjusted price per square foot from \$168.41 to \$222.18 per square foot, including land. The appraiser also made gross adjustments ranging from 19.3% to 30.3%, however, the pages describing these adjustments were missing from the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,032. The subject's assessment reflects a market value of \$741,933, or \$225.37 per square foot of living area, including land, when applying the 2009 three year median level of assessment of 8.9% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The board of review also submitted information on four comparable sales, ranging in sale price per square foot, including land, from \$171.94 to \$290.01. It should be noted that the appraiser's comparable #3 is identical to the board of review's comparable #4.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale,

comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board does not find the appraisal conclusion submitted by the appellant to be persuasive as the appraiser failed to include all pertinent pages of the appraisal. However, the Board will review the seven unadjusted comparables submitted by the parties. The Board finds that the appellant's comparables #2 and #3, as well as the board of review's comparables #1 and #4, are most comparable to the subject in location, style, and square footage of living area. These unadjusted sale comparables range in sale price from \$168.41 to \$199.77 per square foot, including land. The subject's assessment reflects a market value of \$225.37 per square foot of living area, including land, which is above the range of the best comparables. After considering adjustments for the similarities and the differences in the comparables as compared to the subject, the Board finds the subject's per square foot assessment is not supported and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
