

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Hepburn
DOCKET NO.: 09-35494.001-R-1
PARCEL NO.: 16-07-319-003-0000

The parties of record before the Property Tax Appeal Board are Anthony Hepburn, the appellant, by attorney Christopher G. Walsh, Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,595
IMPR.: \$28,085
TOTAL: \$31,680

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a two-story, single-family dwelling with 1,959 square feet of living area. The subject has frame exterior construction, a full finished basement, central air conditioning, a fireplace, and a two-car detached garage. The dwelling is 120 years old and is located in Oak Park, Oak Park Township, Cook County. The property is classified as a class 2-05 residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation based on a recent sale of the subject property. The appellant's attorney indicated the subject property was purchased in January 2008 for a price of \$330,000 or \$168.45 per square foot of living area, land included. In addition, the appellant submitted a copy of the Property Tax Appeal Board's 2008 decision for the subject property, docket 08-30106.001-R-1. In that decision, the PTAB found the subject property had a market value of \$330,000. Based on this evidence, the appellant requested the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" wherein its final assessment of the subject totaling \$48,618 was disclosed. The subject's assessment reflects a market

value of \$546,270 using the 2009 three year average median level of assessments for class 2 property of 8.90% as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code 1910.59(c)(2)).

The board of review provided information on four comparable properties to demonstrate the subject was being equitably assessed. The comparables were improved with two-story, frame dwellings that ranged in age from 115 to 123 years old. The comparable properties have the same assigned neighborhood and classification codes as the subject property. The dwellings range in size from 1,320 to 1,895 square feet of living area. These comparables had improvement assessments ranging from \$24.27 to \$26.46 per square foot of living area. The subject has an improvement assessment of \$45,023 or \$22.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Board finds it has jurisdiction over the parties and the subject matter of the appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale of the subject property or comparable sales. (86 Ill.Admin.Code 1910.65(c)). A contemporaneous sale between two parties dealing at arm's length is not only relevant to the question of fair cash value but practically conclusive on the issue on whether the assessment is reflective of market value. Korzen v. Belt Railway Co. of Chicago, 37 Ill.2d 158 (1967). After an analysis of the evidence in the record, the Board finds the appellant has met this burden of proof and a reduction in the subject's assessment to the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
