

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Atmiya Inc. (Bhavin Patel)  
DOCKET NO.: 10-01490.001-C-1  
PARCEL NO.: 14-36.0-452-003

The parties of record before the Property Tax Appeal Board are Atmiya Inc. (Bhavin Patel), the appellant, by attorney Robert W. McQuellon III, Peoria, and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,122  
**IMPR:** \$392,498  
**TOTAL:** \$440,620

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject consists of a four-story, 66 room limited service hotel located Capital Township, Sangamon County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment is not reflective of fair market value. In support of the overvaluation argument, the appellant initially formulated a depreciated cost approach to value utilizing the Marshall & Swift Calculator Method. Under the cost approach, the subject property was estimated to have a market value of \$1,322,000. The appellant also submitted information for three suggested comparable sales of limited service hotels properties located in Davenport, Iowa; Joliet, Illinois; and North Aurora, Illinois. The hotels contain from 86 to 114 rooms. The comparables sold from September 2007 to October 2009 for prices ranging from \$1,295,000 to \$1,710,000 or from \$12,281 to \$19,884 per room.

The appellant also submitted the Sangamon County Board of Review's final decision regarding the subject property. The subject property has a total assessment of \$537,954, which reflects an estimated market value of \$1,614,023 when applying

the statutory level of assessments of 33.33%. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a)). The Sangamon County Board of Review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.69(a)).

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted documentation in the form of a depreciated cost approach to value and three suggested comparable sales to demonstrate the subject property's assessment was not reflective of fair market value. The cost approach conveyed an estimated market value of \$1,322,000. The three comparables sold for prices ranging from \$1,295,000 to \$1,710,000 or from \$12,281 to \$19,884 per room. The board of review did not timely submit evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). The subject property has a total assessment of \$537,954, which reflects an estimated market value of \$1,614,023 or \$24,455 per room. The Board has examined the evidence contained in this record and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
