

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bsaibes Samir
DOCKET NO.: 10-02424.001-R-1
PARCEL NO.: 14-03-301-012

The parties of record before the Property Tax Appeal Board are Bsaibes Samir, the appellant, and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,026
IMPR.: \$124,398
TOTAL: \$165,424

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story single family dwelling of brick construction with 3,138 square feet of living area. The dwelling was constructed in 1986. Features include an unfinished basement, central air conditioning, two fireplaces and a three-car garage of 874 square feet of building area. The property consists of a 40,871 square foot parcel of land located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation with respect to the subject's assessment for the 2010 tax year as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within 2.7-miles from the subject. The comparables are improved with two-story dwellings that range in size from 2,996 to 3,238 square feet of living area and range in age from 21 to 29 years old. Each comparable has a full unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 488 to 702 square feet of building area. These comparables sold between June 2008 and June 2010 for prices ranging from \$280,000 to \$495,500 or from \$88.72 to \$160.05 per square foot of living area, including land. Based on its assessment, the subject has

an estimated market value of approximately \$496,272 or \$158.15 per square foot of living area, including land.

Based on the foregoing evidence, the appellant requested a reduction in the subject's total assessment to \$147,700 which would reflect a market value of approximately \$443,100 or \$141.20 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$165,424. The board of review asserted the subject property was an owner occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2008 tax year under Docket Number 08-04966.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$172,316. The board of review further explained that Ela Township's general assessment period began in 2007 and runs through tax year 2010. It further indicated that in tax year 2009 a township equalization factor of 1.0207 was applied and in tax year 2010 a township equalization factor of .9600 was applied in Ela Township.

The board of review further explained that if the assessment for the 2010 tax year was calculated by applying the 2009 and 2010 equalization factors to the Property Tax Appeal Board's assessment as determined for the 2008 tax year in accordance with section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the subject's assessment would be \$168,848. The board of review asserted the subject's assessment for the 2010 tax year was \$165,424, which is less than required by the application of section 16-185 of the Property Tax Code. Thus, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not justified.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board further finds that the subject property was the subject matter of an appeal for the 2008 tax year in which the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$172,316. The record further disclosed the subject property is an owner occupied dwelling and the 2008 and 2010 tax years are in the same general assessment period. The record also disclosed that equalization factors of 1.0207 and .9600 were applied in Ela Township in 2009 and 2010, respectively. Furthermore, the decision of the Property Tax Appeal Board for the 2008 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in an assessment of \$168,848, which is greater than the 2010 assessment of the subject property of \$165,424. After considering the requirements of section 16-185 of the Property Tax Code, the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
