

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Datka
DOCKET NO.: 10-02853.001-R-1
PARCEL NO.: 19-29-326-013

The parties of record before the Property Tax Appeal Board are Peter Datka, the appellant, by attorney Scott Shudnow of Shudnow & Shudnow, Ltd., in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the McHenry County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,116
IMPR.: \$63,042
TOTAL: \$87,158

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of frame and brick construction containing 2,419 square feet of living area. The dwelling features a partial finished basement, central air conditioning and a three-car garage. The property is located in McHenry County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 09-03406.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$87,158 based on the evidence submitted by the parties. The appellant's attorney asserted that 2009 and 2010 were within the same general assessment period for residential property. The appellant also submitted an appraisal to demonstrate the subject was overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$101,656 was disclosed. The board of review offered to lower the subject's assessment to \$94,691. The appellant was notified of this suggested agreement and given thirty (30) days

to respond if the offer was not acceptable. The appellant did respond, through counsel, to the Property Tax Appeal Board by the established deadline rejecting the offer.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2009 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2009 and 2010 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
