

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerilanne Zern  
DOCKET NO.: 10-02931.001-R-1  
PARCEL NO.: 10-35-101-014

The parties of record before the Property Tax Appeal Board are Gerilanne Zern, the appellant, by attorney Edward P. Larkin, of Edward P. Larkin, Attorney at Law in Des Plaines; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$113,983  
**IMPR:** \$233,188  
**TOTAL:** \$347,171

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 5,073 square feet of living area. The dwelling was constructed in 1997. Features of the home include a full unfinished basement, central air conditioning, two

fireplaces and a 1,127 square foot attached garage. The property has a 97,171 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant appeared, through counsel, before the Property Tax Appeal Board contending assessment inequity as the basis of the appeal. The appellant did not challenge the subject's land assessment. In support of this argument the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$347,171. The subject property has an improvement assessment of \$233,188 or \$45.97 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review comparables #1 through #3.<sup>1</sup> The Board finds these comparables were similar to the subject in size, location, age, style, exterior construction and features. These comparables had improvement assessments that ranged from \$42.41 to \$63.53 per square foot of living area. The subject's improvement assessment of \$45.97 per square foot of living area falls within the range established by the best comparables in this record. The Board gave little weight to the appellant's comparables #1 and #3. These two comparables are considerably smaller than the subject property. Based on this record the Board finds the appellant did not demonstrate

<sup>1</sup> Appellant's comparable #2 and the board of review comparable #3 are the same property.

with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
