

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fortuna Spitz
DOCKET NO.: 10-02967.001-R-1
PARCEL NO.: 16-36-307-079

The parties of record before the Property Tax Appeal Board are Fortuna Spitz, the appellant, by attorney Arnold Munson of Property Tax Advisers, Inc., Libertyville, Illinois; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$84,752
IMPR: \$326,957
TOTAL: \$411,709

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story single family dwelling of dryvit/stucco exterior construction that contains 4,620 square feet of living area. The dwelling was built in 1997. Features of the home include a full basement that is partially finished, central air conditioning, one fireplace and a 704 square foot attached garage. The property is located in Highland Park, Moraine Township, Lake County.

The appellant contends inequity with respect to the improvement assessment for the tax year 2010. In support of this argument the appellant submitted descriptions and assessment information on three comparables improved with two-story dwellings of wood siding or brick exterior construction that ranged in size from 3,743 to 3,932 square feet of living area. The dwellings were built from 1996 to 2004. Each home has an unfinished basement, central air conditioning, one or three fireplaces and attached garages that range in size from 420 to 788 square feet of building area. These properties have improvement assessments that ranged from \$188,568 to \$241,274 or from \$50.38 to \$63.96 per square foot of living area. The subject has an improvement assessment of \$326,957 or \$70.77 per square foot of living area. Based on this evidence the appellant requested the subject's

improvement assessment be reduced to \$257,957 or \$55.83 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" wherein its final assessment of the subject totaling \$411,709 was disclosed. The board of review asserted the subject property is an owner occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2007 tax year under Docket Number 07-02196.001-R-1. In that appeal the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$428,580. The board of review further explained that Moraine Township's general assessment period began in 2007 and runs through tax year 2010. It further indicated that in tax year 2008 a township equalization factor of 1.0475 was applied, in tax year 2009 a township equalization factor of .9900 was applied and in tax year 2010 a township equalization factor of .9436 was applied in Moraine Township. The board of review explained that if the assessment for the 2010 tax year was calculated by applying the 2008, 2009 and 2010 equalization factors to the Property Tax Appeal Board's assessment as determined for the 2007 tax year in accordance with section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the subject's assessment would be \$419,381. The board of review asserted the subject's actual assessment for the 2010 tax year was \$411,709, which is less than required by the application of section 16-185 of the Property Tax Code. The board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not justified.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board further finds that the subject property was the subject matter of an appeal for the 2007 tax year in which a decision was issued by the Property Tax Appeal Board reducing the subject's assessment to \$428,580. The record further disclosed the subject property is an owner occupied dwelling and the 2007 through 2010 tax years are within the same

general assessment period. The record also disclosed that equalization factors of 1.0475, .9900 and .9436 were applied in Moraine Township in 2008, 2009 and 2010, respectively. Furthermore, the decision of the Property Tax Appeal Board for the 2007 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in an assessment of \$419,381, which is greater than the 2010 assessment of the subject property of \$411,709. After considering the requirements of section 16-185 of the Property Tax Code, the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
