

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Bochenek
DOCKET NO.: 10-03036.001-R-1
PARCEL NO.: 03-05-308-018

The parties of record before the Property Tax Appeal Board are Paul Bochenek, the appellant, by attorney Scott Shudnow of Shudnow & Shudnow, Ltd., Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,940
IMPR.: \$26,000
TOTAL: \$90,940

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of an owner occupied residence located in Addison Township, DuPage County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject property's assessment was not reflective of fair market value based on an appraisal of the subject property. The evidence also revealed the subject property was the matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 09-03383.001-R-1. In that appeal, the Board issued a decision lowering the subject's assessment to \$100,000 based on the weight and equity of the evidence. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a)). By letter dated October 22, 2012, the DuPage County Board of Review was found to be in default

pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.69(a)).

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185).

This record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2009 assessment to \$100,000 under Docket Number 09-03383.001-R-1. The record further indicates that the subject property is an owner occupied residence. The record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of any equalization factor. The Board takes notice that a .90940 equalization factor was issued in Addison Township for the 2010 assessment year.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
