

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Parrillo
DOCKET NO.: 10-03074.001-R-1
PARCEL NO.: 06-01-115-008

The parties of record before the Property Tax Appeal Board are Thomas Parrillo, the appellant, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,710
IMPR.: \$33,620
TOTAL: \$77,330

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story single family dwelling of frame construction that contains 1,876 square feet of living area. The dwelling was built in 1915. Features of the home include a basement, a fireplace and a one-car detached garage. The property is located in Elmhurst, York Township, DuPage County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this argument the appellant provided evidence disclosing the subject property was purchased in May 2009 for a price of \$232,001. The evidence disclosed the parties to the transaction were not related and the property was exposed on the open market with an April 2009 asking price in the multiple listing service of \$166,300. The appellant explained that through a competitive bidding process involving seven different bidders he was the successful purchaser. The appellant also submitted a copy of the board of review decision disclosing a total assessment of \$128,620, which reflects a market value of approximately \$385,900, rounded, when applying the statutory level of assessments. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the purchase price.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of the assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the May 2009 purchase price for the subject property of \$232,001. The record indicates the property was exposed on the open market and the parties to the transaction were not related. The Board further finds the subject's assessment reflects a market value greater than the purchase price presented by the appellant. The board of review did not timely submit evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$232,001 as of January 1, 2010 and a reduction in the property's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
