

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Coogan
DOCKET NO.: 10-03238.001-R-1
PARCEL NO.: 03-08-418-016

The parties of record before the Property Tax Appeal Board are Kevin Coogan, the appellants, by attorney Lisa A. Marino of Marino & Assoc., PC, Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$58,970
IMPR.: \$39,540
TOTAL: \$98,510**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a split-level style single family dwelling of frame and brick construction that contains 1,060 square feet of living area. The dwelling is approximately 52 years old. Features of the property include a two-car detached garage. The property has an 8,908 square foot site and is located in Itasca, Addison Township, DuPage County.

The appellant contends assessment inequity with respect to the subject's improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on 3 comparables improved with a ranch style dwelling and two split-level dwellings that were similar to the subject in location. These properties had improvement assessments ranging from \$29.85 to \$37.30 per square foot of living area. The appellant submitted a copy of the board of review decision disclosing the subject had an improvement assessment of \$39.47 per square foot of living area. Based on this evidence the appellant requested the subject's improvement assessment be reduced to \$34,620 or \$32.66 per square foot of living area.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on 3 assessment comparables to demonstrate the subject property was inequitably assessed. These comparables had improvement assessments that ranged from \$29.85 to \$37.30 per square foot of living area. The comparable most similar to the subject was appellant's comparable #3 with an improvement assessment of \$37.30 per square foot of living area. The subject has an improvement assessment of \$39.47 per square foot of living area, which is above the range established by the appellant's comparables. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Property Tax Appeal Board finds a reduction in the subject's improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
