

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Mooney  
DOCKET NO.: 10-03286.001-R-1  
PARCEL NO.: 09-16-301-018

The parties of record before the Property Tax Appeal Board are Bonnie Mooney, the appellant, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher, Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$73,910  
**IMPR:** \$113,120  
**TOTAL:** \$187,030

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a one-story brick dwelling that contains 2,478 square feet of living area and was built in 1988. Features include two bathrooms and a 552 square foot garage. The subject property is located in Downers Grove Township, DuPage County.

The appellant submitted evidence before the Property Tax Appeal Board claiming assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted a short brief and a limited assessment analysis of three suggested comparables prepared by counsel. The comparables are located in the same assessment neighborhood code as the subject, but their proximate relation to the subject was not disclosed. The comparables consist of a one-story and two, part one-story and part two-story dwellings of frame or brick and frame construction. The ages were reported as 1989, 1985 and 1981/2006. The comparables have two and one-half or three bathrooms and garages that contain from 440 to 525 square feet. The appellant did not disclose the subject's and comparables' foundation types or any other pertinent features. The dwellings

range in size from 1,696 to 2,649 square feet of living area and have improvement assessments ranging from \$71,370 to \$111,890 or from \$42.08 to \$45.65 per square foot of living area.

The appellant also submitted the DuPage County Board of Review final decision regarding the subject property. The subject property has a total assessment of \$188,740 and an improvement assessment of \$114,830 or \$46.34 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)). By letter dated September 14, 2012, the DuPage County Board of Review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a)).

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued assessment inequity as the basis of the appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has overcome this burden.

The record contains three suggested assessment comparables submitted by the appellant for the Board's consideration. The board of review did not timely submit evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a)). Based on the limited information submitted by the appellant, the Board finds the comparables are sufficiently similar to the subject in age, size, and exterior construction, with comparable 3 most similar to the subject. The comparables have improvement assessments ranging from \$71,370 to \$111,890 or from \$42.08 to \$45.65 per square foot of living area. The subject has an improvement assessment of \$114,830 or \$46.34 square foot of living area, which falls above the range established by the only assessment comparables contained in this record. Therefore, a reduction in the subject's improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
