

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Ayre
DOCKET NO.: 10-04036.001-R-1
PARCEL NO.: 13-26.0-476-002

The parties of record before the Property Tax Appeal Board are Keith Ayre, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,929
IMPR.: \$34,738
TOTAL: \$41,667

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of an owner occupied residential property located in Gardner Township, Sangamon County, Illinois.

The record in this appeal disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 09-05564.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$41,667 based on the evidence submitted by the parties. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$41,667.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$42,067 was disclosed. In response to the appeal, the board of review indicated that Gardner Township had a 2010 equalization factor of 1.000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the

parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185).

The Board finds that the prior year's decision shall be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of any factor applied for equalization, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
