

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy O'Keefe
DOCKET NO.: 10-04936.001-R-1
PARCEL NO.: 03-23-405-010

The parties of record before the Property Tax Appeal Board are Timothy O'Keefe, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,010
IMPR.: \$37,940
TOTAL: \$43,950

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with an owner occupied dwelling located in Addison Township, DuPage County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment is not reflective of fair market value. In support of this claim, the appellant submitted a letter addressing the basis of the appeal, photographs, property assessment information sheets, Multiple Listing Service sheets and a grid analysis of eight suggested comparable sales. The comparables had varying degrees of similarity when compared to the subject. They sold from December 2008 to November 2011 for prices ranging from \$70,000 to \$145,000 or from \$61.54 to \$145.00 per square of living area including land.

The appellant also disclosed the subject property was the matter of an appeal before the Property Tax Appeal Board the prior assessment year under docket number 09-04343.001-R-1. In that appeal, the Board rendered a decision lowering the assessment of the subject property to \$48,329 based on the evidence submitted by the parties. Based on this evidence, the appellant requested

a reduction in the subject's assessment to \$24,998, which reflects an estimated market value of approximately of \$74,994.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$52,740. The subject's assessment reflects an estimated market value of \$158,236 when applying the statutory level of assessment of 33.33%. The board of review offered to reduce the subject's assessment to \$43,950 based on the Property Tax Appeal Board's 2009 decision. The board of review's evidence also disclosed the Chief County Assessment Officer issued a .9094 equalization factor in Addison Township for the 2010 assessment year.

The appellant was notified of this suggested assessment amount and given thirty (30) days to respond if the offer was not acceptable. The appellant did respond to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction on the subject's assessment is warranted.

The Board gave little weight to valuation evidence submitted by the appellant. The Board finds section 16-185 of the Property Tax Code (35 ILCS 200/16-185) is controlling in this matter. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision shall be carried forward to the subsequent assessment year subject only to equalization. Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185).

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2009 assessment to \$48,329. The record further indicates that the subject property is an owner occupied dwelling and that 2009 and 2010 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision. The record also shows a .9094 equalization factor was issued for Addison Township

by the Chief County Assessment Officer. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision of \$48,329 plus the application of the township equalization factor of .9094 for the 2010 assessment year.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
