

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gina Rosa De Benedetti
DOCKET NO.: 10-20241.001-R-1
PARCEL NO.: 23-26-411-020-0000

The parties of record before the Property Tax Appeal Board are Gina Rosa De Benedetti, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,381
IMPR.: \$10,864
TOTAL: \$18,245

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 29,525 square feet of land that is improved with a 66 year old, two-story, frame, single-family dwelling with 2,473 square feet of living area. The subject's amenities include two and one-half baths, a partial unfinished basement, a fireplace, and a one-car garage.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board (the "Board") the prior year under docket number 09-22486.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$18,245 based on the evidence submitted by the parties. The appellant asserted that 2009 and 2010 were within the same general assessment period for residential property. The appellant also submitted an appraisal to demonstrate the subject was being overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$26,700 was disclosed. The board of review submitted descriptions and assessment information on four comparables to demonstrate the subject was being assessed uniformly.

After reviewing the record and considering the evidence, the Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code, the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization. 35 ILCS 200/16-185.

That section states, in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185.

The record disclosed the Board issued a decision reducing the subject's 2009 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2009 and 2010 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
