

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: J. Christian Brix
DOCKET NO.: 10-21280.001-R-1 through 10-21280.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are J. Christian Brix, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-21280.001-R-1	01-04-302-023-0000	7,595	154,727	\$162,322
10-21280.002-R-1	01-05-403-012-0000	3,098	0	\$ 3,098

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a four year-old, two-story dwelling of masonry construction containing 8,867 square feet of living area. Features of the home include a full finished basement, air

conditioning and eight fireplaces. Improvement #2 is a four year-old, one-story dwelling of frame and masonry construction containing 910 square feet of living area. Features of the home include air conditioning, one fireplace and a four-car garage. The property has two adjacent parcels of land, one an improved 151,902 square foot site and the other a vacant 61,977 square foot site. The subject is located in Barrington Township, Cook County. The property is a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$241,868. The subject's assessment reflects a market value of \$2,705,459 or \$276.72 per square foot of living area, including land, when applying the 2010 three-year median level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and a list of 20 sale comparables. The sales occurred from 1991 through 2004. The only additional information disclosed on the sales comparable list is the sale price.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #3, and #4. These comparables

sold for prices ranging from \$162.31 to \$201.22 per square foot of living area, including land. The subject's assessment reflects a market value of \$276.72 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
