

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yuval Degani  
DOCKET NO.: 10-22115.001-R-1  
PARCEL NO.: 14-29-403-023-0000

The parties of record before the Property Tax Appeal Board are Yuval Degani, the appellant, by attorney Mitchell L. Klein of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,400  
**IMPR.:** \$120,640  
**TOTAL:** \$143,040

Subject only to the State multiplier as applicable.

**ANALYSIS**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story dwelling of masonry construction. The dwelling is approximately six years old and has 4,935 square feet of living area. Features of the home include a full finished basement, central air conditioning, an elevator, and a two-car garage. The property has a 3,500 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,600,000 as of January 1, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,413. The subject's assessment reflects a market value of \$2,107,528 or \$427.06 per square foot of living area, land included, when using the 2010 three year average median level of assessment for Cook County of 8.94% as determined by the Illinois Department of Revenue.

In support of the subject's assessment the board of review submitted information on four equity comparables, none of which were sales.

In rebuttal, the appellant's attorney stated that the board of review's equity evidence did not address the appellant's market value argument.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's appraisal report. The subject's assessment reflects a market value above the appraised value in the record. The Board finds the subject property had a market value of \$1,600,000 as of the assessment date at issue. Since market value has been established, the 2010 tax year three year average median level of assessments for Cook County of 8.94% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).
