

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Walsh  
DOCKET NO.: 10-23301.001-R-1  
PARCEL NO.: 18-19-100-016-0000

The parties of record before the Property Tax Appeal Board are Matt Walsh, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$169,968  
**IMPR:** \$154,284  
**TOTAL:** \$324,252

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a two-story dwelling of masonry construction with 5,934 square feet of living area. The dwelling is approximately 29 years old. Features of the home include a full finished basement, central air conditioning, two fireplaces and a two-car garage. The property has a 295,598 square foot site and is located in Burr Ridge, Lyons Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 09-32621.001-R-1. In that

appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$324,252 based on the evidence submitted by the parties. The Property Tax Appeal Board finds that 2009 and 2010 are within the same general assessment period for residential property in Lyons Township. (86 Ill.Admin.Code §1910.90(i)).

For the 2010 appeal, the appellant submitted assessment information on five comparables to demonstrate the subject was being inequitably assessed with respect to the improvement. On the basis of this evidence, the appellant requested that the subject's total assessment be reduced to \$278,231 (\$169,968 for land and \$108,263 for the improvement).

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$326,121 (\$169,968 for the land and \$156,153 for the improvement) was disclosed. The board of review submitted descriptions and assessment information on three comparables to demonstrate the subject was being assessed uniformly.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2009 assessment. The record further indicates that the subject property is an owner occupied

dwelling and that 2009 and 2010 are within the same general assessment period in Lyons Township. The record contains no evidence indicating the subject property recently sold in an arm's length transaction or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
