

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Taip Memishi  
DOCKET NO.: 10-24700.001-R-1  
PARCEL NO.: 18-12-402-028-0000

The parties of record before the Property Tax Appeal Board are Taip Memishi, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,860  
**IMPR:** \$4,049  
**TOTAL:** \$5,909

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 3,720 square foot parcel of land improved with an 88-year old, one-story, frame, single-family dwelling containing 748 square feet of living area, one bath, and a full, unfinished basement. The appellant argued that the market value of the subject property is not accurately reflected in its assessed value.

In support of this overvaluation argument, the appellant submitted a copy of the settlement statement indicating the subject sold in November 2009 for \$58,500. Line 700 of the settlement statement indicates broker fees were paid. In addition, the appellant's petition indicates the subject's sale was not a transfer between related parties, was advertised for sale for five days and a realtor was involved in the sale. Based on this evidence the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$10,923 was disclosed. This assessment reflects a market value of \$108,149

using the Illinois Department of Revenue's 2010 three year median level of assessment for class 2 property of 10.10%. In support of the subject's assessment, the board of review presented descriptions and assessment information on four properties suggested as comparable. The properties are described as one-story, frame and masonry or frame, single-family dwellings. The properties range: in age from 53 to 91 years; in size from 679 to 880 square feet of living area; and in improvement assessments from \$12.12 to \$21.12 per square foot of living area. The evidence also lists the sale of the subject in November 2009 for \$58,500. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the testimony, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2<sup>nd</sup> Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The PTAB finds the best evidence of the subject's market value is the sale of the subject in November 2009 for \$58,500. The PTAB further finds that the involvement of a real estate agent and the fact the property was listed for sale supports the arm's length nature of this sale. In addition, the board of review included this sale in its evidence.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$58,500 for the 2010 assessment year. Since market value has been determined, the 2010 three year median level of assessment if 10.10% for class 2 property as established by the Illinois department of Revenue shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
