

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Silver Series, LLC  
DOCKET NO.: 10-25138.001-C-1  
PARCEL NO.: 18-36-219-004-0000

The parties of record before the Property Tax Appeal Board are Silver Series, LLC, the appellant, by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$10,530  
IMPR.: \$37,570  
TOTAL: \$48,100**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a three-story masonry constructed walk-up apartment building with 12 units composed of three one-bedroom units and nine two-bedroom units. The subject has a total building area of approximately 9,345 square feet and the building was constructed in 1970. The building has a basement that houses the laundry area, tenant storage spaces and the mechanical rooms. The property has approximately 18,000 square feet of land area and is located in Bridgeview, Lyons Township, Cook County. The property is classified as a class 3-15 apartment building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value

of \$370,000 as of January 1, 2009. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$63,715, which reflects a market value of approximately \$490,115 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 3-15 property of 13%. Based on this evidence the appellant requested the subject's assessment be reduced to \$48,100.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$370,000. The subject's assessment reflects a market value of \$490,115, which is above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.49(a) & §1910.69(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$370,000 as of January 1, 2010. Since market value has been determined the 13% level of assessment for class 3-15 property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(3)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
