

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Mitrakos
DOCKET NO.: 10-26620.001-R-1
PARCEL NO.: 10-32-412-034-0000

The parties of record before the Property Tax Appeal Board are Chris Mitrakos, the appellant, by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$9,310
IMPR.: \$53,200
TOTAL: \$62,510**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 3,040 square feet of living area. The dwelling was 87 years old. Features of the home include a

full unfinished basement, a fireplace and a one-car detached garage. The property has a 6,650 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,918. The subject property has an improvement assessment of \$57,608 or \$18.95 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties to the appeal submitted a total of ten comparable properties into the record for the Board's consideration. The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, #4 and #6. These comparables were the most similar when compared to the subject in size of living area, age and features. These comparables had improvement assessments that ranged from \$15.13 to \$18.73 per square foot of living area. The subject's improvement assessment of \$18.95 per square foot of living area falls above the range established by the best comparables in this record. The Board gave less weight in its analysis to the three comparables submitted by the board of review. These three dwellings were significantly smaller in living area than the subject property. After considering adjustments and the differences in the four best comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is justified.
