

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dennis Woiwood
DOCKET NO.: 10-27843.001-R-1
PARCEL NO.: 13-11-212-016-0000

The parties of record before the Property Tax Appeal Board are Dennis Woiwood, the appellant(s), by attorney Edward M. Burke, of Klafter & Burke in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,952
IMPR.: \$ 30,260
TOTAL: \$ 36,212

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half-story dwelling with 2,134 square feet of living area of masonry construction. The dwelling was constructed in 1937. Features

of the home include a full basement, central air conditioning, and a two-car garage. The property has a 3,720 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables are class 2-02 or 2-03 properties and range from 760 to 1,752 square feet of living area. The comparables have sale prices that range from \$309,900 to \$347,000 or from \$176.88 to \$427.37 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,212. The subject's assessment reflects a market value of \$405,056 or \$189.81 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four sales comparables. The comparables are all class 2-04 properties and range in size from 1,844 to 1,974 square feet of living area. They have sale prices that range from \$363,500 to \$475,000 or from \$183.89 to \$257.59 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparable sales. These comparables sold for prices ranging from \$183.89 to \$257.59 per square foot of living area, including land. The subject's assessment reflects a

market value of \$189.81 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board notes that the subject is also within the range of the comparables submitted by the appellant. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
