

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Holz  
DOCKET NO.: 10-29618.001-R-1  
PARCEL NO.: 02-06-405-003-0000

The parties of record before the Property Tax Appeal Board are Donald Holz, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 10,395  
**IMPR.:** \$ 32,999  
**TOTAL:** \$ 43,394

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of 37,800 square feet of land improved with a 40-year old, multi-level, frame and masonry, single-family dwelling. The improvement contains 1,913 square feet of living area as well as a partial basement, one fireplace, two full and one half-baths, and a two and one-half car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for four suggested comparables. They are improved with a multi-level, single-family dwelling with frame and masonry or frame exterior construction, which are located within an eight-block radius. They range: in age from 34 to 54 years; in improvement size from 1,884 to 2,055 square feet of living area; and in improvements assessments from \$16.87 to \$17.59 per square foot. In comparison, the subject's improvement assessment is \$18.59 per square foot of living area. The properties also include varying amenities. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$45,958. The board of review submitted descriptive and assessment data relating to four suggested comparables located in the subject's subarea. The properties are improved with a multi-level, frame and masonry, single-family dwelling. They range: in age from 38 to 49 years; in improvement size from 1,253 to 1,718 square feet of living area; and in improvement assessments from \$18.43 to \$21.35 per square foot. The properties contained varying amenities. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the appellant's comparables #1, #2, and #3 are most similar to the subject in location, style, improvement size, and/or amenities. In analysis, the Board accorded most weight to these comparables, which range in improvement assessments from \$16.87 to \$17.59 per square foot of living area. The subject's improvement assessment at \$18.59 per square foot is above the range established by these comparables.

The Board accorded diminished weight to the remaining properties due to a disparity in location and/or improvement size.

Therefore, the Board finds that the appellant has demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
