

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Subroto Mukherjee
DOCKET NO.: 10-31470.001-R-1
PARCEL NO.: 02-20-307-041-0000

The parties of record before the Property Tax Appeal Board are Subroto Mukherjee, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,378
IMPR.: \$ 23,138
TOTAL: \$ 29,516

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 10,206 square feet of land improved with a 41-year old, multi-level, frame, single-family dwelling. The improvement contains 1,470 square feet of living area as well as a partial basement, three full bathrooms, one fireplace, and a two-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for 5 suggested comparables. They are improved with a multi-level, frame, single-family dwelling. They range: in age from 39 to 41 years; in improvement size from 1,470 to 1,804 square feet of living area; and in improvements assessments from \$12.38 to \$13.09 per square foot. In comparison, the subject's improvement assessment is \$15.74 per square foot of living area. The properties also include varying amenities. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$29,516. The board of review submitted descriptive and assessment data relating to four suggested comparables. The properties are improved with a multi-level, frame, single-family dwelling. They range: in age from 35 to 41 years; in improvement size from 1,392 to 1,570 square feet of living area; and in improvement assessments from \$15.87 to \$16.79 per square foot. The properties contain various amenities. As a result of its analysis, the board requested confirmation of the subject's assessment.

In written rebuttal, the appellant submitted correspondence disputing the comparability of the board of review's suggested comparables as well as photographs of these properties.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the appellant's comparables #1 through #4 and the board of review's comparable #1 are most similar to the subject in style, improvement age, size, and/or amenities. In analysis, the Board accorded most weight to these five comparables, which range in improvement assessments from \$12.38 to \$15.87 per square foot of living area. The subject's improvement assessment at \$15.74 per square foot is within the range established by these comparables.

The Board accorded diminished weight to the remaining properties due to a disparity in improvement age and/or size.

Therefore, the Board finds that the appellant has not demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
