

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Philip Santarelli
DOCKET NO.: 10-32964.001-R-1
PARCEL NO.: 12-36-415-027-0000

The parties of record before the Property Tax Appeal Board are Philip Santarelli, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,389
IMPR: \$ 11,256
TOTAL: \$ 15,645

Subject only to the State multiplier as applicable.

ANALYSIS

The subject has 5,320 square feet of land, which is improved with a 62 year old, one and one-half-story, frame and masonry, single-family dwelling. The subject's improvement size is 1,339 square feet of living area, and its total assessment is \$22,466. This assessment yields a fair market value of \$251,298, or \$187.68 per square foot of living area (including land), after applying the 2010 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 8.94%. The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted a residential appraisal report for the subject property with an effective date of January 1, 2010. The appraiser estimated a fair market value for the subject of \$175,000 based on the cost and sales comparison approaches to value. The appraiser also

conducted an inspection of the subject. Based on this evidence, the appellant requested a reduction in the subject's assessment.

In addition, the appellant submitted printouts from the Cook County Assessor's website for the subject and five properties. Each printout is scribbled with writing distinguishing and comparing the properties to the subject based on size, amenities, design and inaccuracies.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$22,466 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject. The comparables are described as one and one-half-story, frame and masonry, single-family dwellings. Additionally, the comparables range: in age from 60 to 68 years; in size from 1,288 to 1,478 square feet of living area; and in improvement assessments from \$14.48 to \$16.09 per square foot of living area. The comparables also have several amenities. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant submitted a copy of a real estate contract for a purchase price of \$150,000 that was rejected by the appellant and four additional comparables. The Official Rules of the Property Tax Appeal Board prohibit the submission of new evidence as rebuttal and, therefore, the four additional comparables and the real estate contract cannot be considered by the PTAB. 86 Ill.Admin.Code 1910.66

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet

Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

In determining the fair market value of the subject property, the Board finds the best evidence to be the appellant's appraisal. The appellant's appraiser utilized the cost and sales comparison approaches to value in determining the subject's market value. The Board finds this appraisal persuasive because the appraiser has experience in appraising, personally inspected the subject property, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. The Board gives little weight to the board of review's evidence as it did not address the appellant's market value argument.

Therefore, the Board finds the subject had a market value of \$175,000 for the 2010 assessment year. Since the market value of this parcel has been established, the 2010 Illinois Department of Revenue three year median level of assessment for Class 2 property of 8.94% will apply. 86 Ill. Admin. Code § 1910.50(c)(2)(A). In applying this level of assessment to the subject, the total assessed value is \$15,645, while the subject's current total assessed value is above this amount. Therefore, the Board finds that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
