

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lin Tao  
DOCKET NO.: 10-33216.001-R-1  
PARCEL NO.: 02-10-227-006-0000

The parties of record before the Property Tax Appeal Board are Lin Tao, the appellant, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,596  
**IMPR.:** \$29,404  
**TOTAL:** \$40,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story frame dwelling. The dwelling is approximately 18 years old and has 2,565 square feet of living area. Features of the home include a full

unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 9,018 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. When completing Section 2d of the residential appeal form, the appellant indicated the appeal was being based on comparable sales and assessment equity. However, the appellant actually submitted an appraisal in support of the overvaluation argument. The appellant's appraiser estimated the subject property had a market value of \$400,000 as of May 24, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,634. The subject's assessment reflects a market value of \$456,340 when applying the 10% ordinance level of assessment for Class 2 residential property in Cook County. In support of its contention of the correct assessment, the board of review submitted information on four comparables to demonstrate the subject was equitably assessed.

The appellant's attorney submitted a rebuttal brief.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record is the appraisal submitted by the appellant. The appellant's appraiser estimated the subject property had a market value of \$400,000 as of May 24, 2010. The appraiser developed the sales comparison approach to value and analyzed three comparable sales and one active listing to arrive at the estimate of the subject's market value. The Board finds the appraiser made logical adjustments to arrive at a final conclusion of value. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the

subject property had a market value of \$400,000 as of the assessment date at issue.

Based on this evidence, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
