

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

PELLANT: Andrew Johannes
DOCKET NO.: 10-35234.001-R-1
PARCEL NO.: 18-08-211-012-0000

The parties of record before the Property Tax Appeal Board are Andrew Johannes, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 4,650
IMPR: \$ 24,720
TOTAL: \$ 29,370**

subject only to the State multiplier as applicable.

ANALYSIS

The subject has 7,750 square feet of land, which is improved with a 37 year old, multi-story, frame and masonry, single-family dwelling. The subject's improvement size is 1,672 square feet of living area, and its total assessment is \$29,502. The subject is located in Lyons Township, Cook County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board (the "Board") in 2009 under docket number 09-30748.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$29,370 based on the evidence submitted by the parties. In support of a reduction in the subject's assessment, the appellant, via counsel, submitted evidence that the subject recently sold to demonstrate the subject was overvalued

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$29,502 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject to demonstrate the subject was assessed uniformly.

After reviewing the record and considering the evidence, the Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

Section 16-185 of the Illinois Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes judicial notice that it rendered a decision lowering the subject's assessment in tax year 2009, and that 2009 and 2010 are in the same general assessment period for Lyons Township. The record indicates that the subject is an owner occupied dwelling. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's 2009 decision, or that the Board's 2009 decision was reversed or modified upon review. For these reasons, the Board finds that a reduction is warranted, and that the subject's assessment shall be reduced to reflect the Board's 2009 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
