

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Edwards  
DOCKET NO.: 10-35499.001-R-1  
PARCEL NO.: 13-24-113-027-0000

The parties of record before the Property Tax Appeal Board are Michael Edwards, the appellant, by attorney Thomas J. Thorson, of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 9,000  
**IMPR.:** \$ 6,198  
**TOTAL:** \$15,198

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 86-year-old, one-story dwelling of stucco construction with 1,097 square feet of living area. Features of the home include a full basement and central air conditioning. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 20, 2008 for a price of \$170,000. In addition, the appellant included a prior PTAB decision #09-25621.001-R-1 requesting a rollover. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,788. The subject's assessment reflects a market value of \$333,199 when using the 2010 three year median level of assessments for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each property. The board of review also submitted a brief arguing that no rollover should be granted because the subject property is not owner occupied. In support of their contention, the board of review submitted the property characteristic printout of the subject showing appellant's home address as 4355 N. Lincoln Ave.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June, 2008 for a price of \$170,000. The Board also finds that the subject does not qualify for a rollover because appellant failed to submit sufficient evidence to show that the subject was owner occupied. The Board takes judicial notice of #09-25621.001-R-1 where the Board found the 2008 purchase was an arm's length transaction. Based on this record, the Board finds the subject property had a market value of \$170,000 as of January 1, 2010. Since market value has been determined the 2010 three year median level of assessments for class 2 property of 8.94% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
