

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward & Bryan McCray  
DOCKET NO.: 11-02303.001-R-1 through 11-02303.003-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Edward & Bryan McCray, the appellants, and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-02303.001-R-1	27-15.0-200-014	7,316	0	\$7,316
11-02303.002-R-1	27-15.0-200-015	3,613	0	\$3,613
11-02303.003-R-1	27-15.0-200-023	7,269	0	\$7,269

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of three vacant land parcels located in Loami Township, Sangamon County.

The appellants claim overvaluation as the basis of the appeal. In support of this argument, the appellants submitted documentation disclosing the subject parcels were purchased in January 2011 for a total price of \$35,000. The evidence further revealed that the appellants filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor of .9866 issued by the board of review reducing the assessment of the subject parcels. These equalized assessments reflect estimated market values of approximately \$21,948, \$10,839 and \$21,807 for each of the parcels, respectively. Based on this evidence the appellants requested the subject's assessments be reduced to \$5,000, \$1,000 and \$5,000, respectively, to reflect allocations of the total purchase price.

The board of review submitted its "Board of Review Notes on Appeal." After reviewing the appellants' evidence, the board of

review noted that the township factor was less than 1.0 and reduced the subject's assessed value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board finds the appellants timely filed the appeal from the assessment notice issued by the board of review reducing the assessment of the subject parcels by the application of an equalization factor of .9866, which conferred jurisdiction on this Board.

Based upon the evidence submitted, the Board finds that a change in the assessment of these parcels is not warranted. The record disclosed that the appellants appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor of .9866 issued by the board of review reducing the assessment of the parcels. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited by rule and statute. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the **increase caused by the application of the township equalization factor.** 86 Ill.Admin.Code §1910.60(a). (Emphasis added.)

Additionally, Section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, **the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.** (Emphasis added.)

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Neither the Board's rule nor the Property Tax Code provide that the Property Tax Appeal Board may further reduce an assessment where a "negative" equalization factor has been applied by the board of review lowering the pre-equalized assessment.

Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds the township equalization factor applied by the board of review reduced these assessments rather than causing the assessments to increase. On the basis of these facts, the Board finds it has no authority to further reduce the assessment of the subject property beyond the 2011 equalized assessment as established by the board of review. In conclusion, the Board finds a reduction in the assessments of these three parcels is not appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
