

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Vassau
DOCKET NO.: 11-04415.001-R-1
PARCEL NO.: 05-12-115-016

The parties of record before the Property Tax Appeal Board are Nancy Vassau, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,192
IMPR.: \$ 60,864
TOTAL: \$ 70,056

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame construction with 1,470 square feet of living area. The dwelling was constructed in 2002. Features of the home include a full lower level, central air conditioning and a 550 square

foot garage. The property has a 11,235 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales along with a comparative market analysis.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,056. The subject's assessment reflects a market value of \$216,089 or \$147.00 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Lake County of 32.42% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review comparable sales #1, #3 and #4 based on location, age, design, features and date of sale. These most similar comparables sold for prices ranging from \$123.02 to \$155.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$147.00 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave less weight to the comparable sales presented by the appellant and of those contained within the comparable market analysis because the dates of sale were too remote from the assessment date in question and/or the size of the comparable was not disclosed. The Board finds the board of review's comparables sold more proximate in time to the assessment date in question and are a better indicator of the subject's market

value as of January 1, 2011. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
