

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tracy Baade  
DOCKET NO.: 11-04612.001-R-1  
PARCEL NO.: 12-16-103-002

The parties of record before the Property Tax Appeal Board are Tracy Baade, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$198,939  
**IMPR:** \$190,101  
**TOTAL:** \$389,040

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick construction with 4,930 square feet of living area.<sup>1</sup> The

dwelling was constructed in 1987. Features of the home include a partial basement with finished area, central air conditioning, three fireplaces and an 891 square foot garage. The property has a 177,725 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,200,000 as of January 1, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$491,551. The subject's assessment reflects a market value of \$1,516,197 or \$307.55 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Lake County of 32.42% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. After making logical adjustments to the comparables, the appraiser estimated the subject's market value to be \$1,200,000 or \$243.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,516,197 or \$307.55 per square foot of living area, including land, which is above the appraised value. The Board gave less weight to the comparable sales presented by the board of review because they were dissimilar to the subject in location, age and/or basement finish, and were not adjusted for differences when compared to the subject. The Board finds the subject property had a market value of \$1,200,000 as of the assessment date at issue. Since market

value has been established the 2011 three year average median level of assessments for Lake County of 32.42% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
