

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Detlaff
DOCKET NO.: 11-04842.001-R-1
PARCEL NO.: 11-27-202-005

The parties of record before the Property Tax Appeal Board are Steven Detlaff, the appellant, by attorney Edward P. Larkin of Edward P. Larkin, Attorney at Law in Des Plaines; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$73,692
IMPR.: \$128,423
TOTAL: \$202,115

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,538 square feet of living area. The dwelling was constructed in 1965. Features of the home include

an unfinished basement, central air conditioning, a fireplace and a 504 square foot attached garage. The property has a 39,656 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant appeared before the Property Tax Appeal Board, through counsel, contending assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables.

The appellant's counsel argued that the Board should give consideration to the assessment reductions in the subject's assessments for subsequent years.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,115. The subject property has an improvement assessment of \$128,423 or \$36.30 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables.

The board of review's representative acknowledged the reductions in the subject's assessments for subsequent years, but argued they were lowered based on the application of multipliers derived from sales.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables had improvement assessments that ranged from \$35.51 to \$41.30 per square foot of living area. The subject's improvement assessment of \$36.30 per square foot of living area falls within

the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified. The Board gave less weight to the appellant's comparables due to their dissimilarities when compared to the subject regarding, basement foundation, style, exterior construction and gross living area.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
