

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eunice Sullivan  
DOCKET NO.: 11-05055.001-R-1  
PARCEL NO.: 16-32-211-004

The parties of record before the Property Tax Appeal Board are Eunice Sullivan, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$60,371  
**IMPR:** \$244,341  
**TOTAL:** \$304,712

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,022 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, a

fireplace and two attached garages containing a total of 779 square feet of building area. The property has a 14,862 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 10 comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$304,712. The subject's assessment reflects a market value of \$939,889 or \$233.69 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Lake County of 32.42% as determined by the Illinois Department of Revenue.

As to the appellant's evidence, the board of review argued the appellant's comparables #1, #2 and #9 were aged sales from 2009, six of the ten sales were from foreclosure and eight of the ten are located .50 of a mile or greater from the subject.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparable sales. These comparables were most similar to the subject in location, age and also sold more proximate to the subject's January 1, 2011 assessment date. These most similar comparables sold for prices ranging from \$209.31 to \$294.34 per square foot of living area, including land. The Board gave less weight to the appellant's comparables due to their distant location, dissimilar age and/or their sale date occurring more distant from the subject's January 1, 2011

assessment date. The subject's assessment reflects a market value of \$233.69 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
