

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Megan Mast
DOCKET NO.: 11-05722.001-R-1
PARCEL NO.: 08-05.0-401-065

The parties of record before the Property Tax Appeal Board are Megan Mast, the appellant, and the St. Clair County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the St. Clair County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$11,642
IMPR.: \$52,358
TOTAL: \$64,000**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of brick exterior construction that contains 1,435 square feet of living area. Features of the property include a full basement, central air conditioning and a two-car attached garage. The subject has a 2,000 square foot site and is located in Swansea, St. Clair Township, St. Clair County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property \$140,000 as of June 8, 2009. The evidence also included a copy of real estate contract dated May 19, 2009, indicating the appellant purchased the subject property for a price of \$120,000. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor increasing the subject's assessment from \$64,000 to \$65,715. Based on this evidence the appellant requested the subject's assessment be reduced to \$40,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's equalized assessment of \$65,715 was disclosed. The subject's assessment reflects a market value of \$196,223 using the 2011 three year average median

level of assessments for St. Clair County of 33.49%. After reviewing the appellant's evidence, the board of review agreed to reduce the subject's assessment by the amount of increase caused by the application of the equalization factor.

The appellant was informed of the board of review proposed reduction and rejected the stipulation.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of an equalization factor. Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
