

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Schaeffer
DOCKET NO.: 11-05822.001-R-1
PARCEL NO.: 08-28-303-010

The parties of record before the Property Tax Appeal Board are Joan Schaeffer, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 40,140
IMPR.: \$ 89,100
TOTAL: \$ 129,240

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,712 square feet of living area. The dwelling was constructed in 1980. Features of the home include a full finished basement, central air conditioning, a fireplace

and a 2-car garage. The property has a 8,684 square foot site and is located in Lisle, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,240. The subject's assessment reflects a market value of \$389,864 or \$143.76 per square foot of living area, land included, when using the 2011 three year average median level of assessment for DuPage County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on seven comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales #1 and #2. These most similar comparables sold for prices of \$370,000 and \$366,000 or for \$144.93 and \$164.57, respectively, per square foot of living area, including land. The subject's assessment reflects a market value of \$389,864 or \$143.76 per square foot of living area, including land, which is below the range established by the best comparable sales in this record on a per square foot basis. The Board gave less weight to the appellant's comparables and the remaining comparables submitted by the board of review because they did not contain finished basement area, similar to the subject and/or the date of sale was too remote from the assessment date in question to be of any value in determining the subject's market value as of January 1, 2011.

Docket No: 11-05822.001-R-1

Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
