

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Ramseyer
DOCKET NO.: 11-06062.001-R-1
PARCEL NO.: 06-15-278-007

The parties of record before the Property Tax Appeal Board are Timothy Ramseyer, the appellant, by attorney Jerri K. Bush in Chicago, and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,535
IMPR.: \$ 28,998
TOTAL: \$ 39,533

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 768 square feet of living area. The dwelling was constructed in 1930. Features of the home include a full basement and a 308 square foot garage. The property is located in Elgin, Elgin Township, Kane County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 8, 2009 for a price of \$60,000.¹ Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,533. The subject's assessment reflects a market value of \$118,168 or \$154.91 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Kane County of 33.23% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be comparable sales #3 and #4 submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices of \$162.52 and \$153.98 per square foot of living area, respectively, including land. The subject's assessment reflects a market value of \$154.91 per square foot of living area, including land, which is within the range established by the two best comparable sales in this record. The Board gave little weight to the subject's sale due to the fact the sale did not occur as proximate in time to

¹ The appellant incorrectly listed the date of sale as January 1, 2012 in Section IV of the appeal petition. The Settlement Statement submitted with the appeal petition depicts the sale occurred May 8, 2009.

the assessment date at issue as were the two best comparable sales in this record. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
