

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Lam  
DOCKET NO.: 11-06069.001-R-1  
PARCEL NO.: 06-14-403-018

The parties of record before the Property Tax Appeal Board are Dan Lam, the appellant, by attorney Jerri K. Bush in Chicago, and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Kane County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,595  
**IMPR.:** \$32,943  
**TOTAL:** \$41,538

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part one-story and part two-story dwelling of frame construction with 1,568 square feet of living area. The dwelling was constructed in 1890 on a slab foundation. Features of the home include a basement and a

detached one-car garage. The property has a 5,808 square foot site and is located in Elgin, Elgin Township, Kane County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 1, 2009 for a price of \$57,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,142. The subject's assessment reflects a market value of \$153,903 or \$98.15 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Kane County of 33.23% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales along with a Multiple Listing Service sheet ("MLS") of the subject's 2009 foreclosure sale.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record to be comparable sales #3 and #4 submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. The comparables sold for prices of \$118.26 and \$118.48, respectively, per square foot of living area, including land. The subject's assessment reflects a market value of \$98.15 per square foot of living area, including land, which is below the best comparable sales in this record. However, the Board finds based on the subject's sale in 2009 and the 2009 sale comparables, the subject's assessment is not reflective of

Docket No: 11-06069.001-R-1

market value and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
