

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Wells
DOCKET NO.: 11-22803.001-R-1
PARCEL NO.: 02-17-200-007-0000

The parties of record before the Property Tax Appeal Board are Richard Wells, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 31,036
IMPR: \$ 78,964
TOTAL: \$ 110,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story, single-family dwelling of masonry construction with 5,525 square feet of living area. The dwelling is 16 years old. Features of the home include four full and two-half baths, a full unfinished basement, central air conditioning, two fireplaces, and a four-car garage. The property has a 248,292 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Board in 2010 under docket number 10-31367.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$110,000. The appellant submitted information on four equity comparables to show the subject was inequitably assessed as well as floodplain maps.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$115,458. The subject property has an improvement assessment of \$84,422, or \$15.28 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables. The board of review also submitted information on one comparable sale.

Conclusion of Law

Section 16-185 of the Illinois Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes judicial notice that it rendered a decision lowering the subject's assessment in tax year 2010, and that 2010 and 2011 are in the same general assessment period for Palatine Township. The record indicates that the subject is an owner occupied dwelling. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's 2010 decision, or that the Board's 2010 decision was reversed or modified upon review. For these reasons, the Board finds that a reduction is warranted, and that the subject's assessment shall

Docket No: 11-22803.001-R-1

be reduced to reflect the Board's 2010 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
