

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Cook
DOCKET NO.: 11-23898.001-R-1
PARCEL NO.: 01-15-300-019-0000

The parties of record before the Property Tax Appeal Board are John Cook, the appellant, by attorney Christopher G. Walsh Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,913
IMPR.: \$41,587
TOTAL: \$52,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling with 6,110 square feet of living area of frame and masonry construction¹. The dwelling was constructed in 1975. Features of the home include a partial unfinished basement, central air conditioning, two fireplaces and a 2-car attached garage. The property has a 218,279 square foot site and is located in Barrington Hills, Barrington Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$525,000 as of March 13, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,485. The subject's assessment reflects a market value of \$894,850 or \$146.46 per square foot of living area, including land, when applying the Ordinance level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$525,000. The subject's assessment reflects a market value of \$894,850 which is considerably more than the appraised value. The Board finds the

¹ Board of review data indicates the subject dwelling contains 4,641 square feet of living area. The Board finds the best evidence of the subject's dwelling size is the appraisal which was supported by a schematic diagram depicting a dwelling size of 6,110 square feet of living area.

subject property had a market value of \$525,000 as of the assessment date at issue. No weight was given to the assessment equity evidence presented by the board of review because it did not address the appellant's overvaluation argument. Based on this evidence, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
