

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rene Quinonez
DOCKET NO.: 11-28234.001-R-1
PARCEL NO.: 13-28-420-033-0000

The parties of record before the Property Tax Appeal Board are Rene Quinonez, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,208
IMPR.: \$12,814
TOTAL: \$18,022

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a parcel of land improved with a 86-year old, two-story, frame, multi-family dwelling. The appellant argues that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of this overvaluation argument the petition indicates the subject was purchased by the appellant on August 15, 2011 for \$189,900. The petition indicates the subject was listed on the open market through a realtor and was not a transfer between related parties.

In addition, the appellant submitted a residential appraisal summary report of the subject property with an effective date of June 17, 2011. The appraiser estimated a market value for the subject of \$190,000 based upon the three traditional approaches to value. The appraisal describes a contract for the sale of the subject at \$189,000. Based on this evidence the appellant requests a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$27,564. The subject's assessment reflects a market value of \$290,453 using the Illinois Department of Revenue's three-year median level of assessment for class 2, residential property of 9.49% for tax year 2011.

In support of the subject's assessment, the board of review submitted descriptions and assessment and sales information on four properties suggested as comparable. The properties are described as two-story, masonry, multi-family dwellings. The comparables have varying amenities. They range in age from 52 to 106 years and size from 2,064 to 2,292 square feet of living area. They sold from August 2009 to April 2010 for prices ranging from \$252,000 to \$693,000 or from \$122.09 to \$330.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The Board finds the best evidence of the subject's market value is the sale of the subject in August 2011 for \$189,900. The Board further finds that the evidence supports the arm's length nature of this sale. In addition, the appraisal supports the subject's sale at market value.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$189,900 for the 2011 assessment year. Since market value has been determined, the 2011 three year median level of assessment if 9.49% for class 2 property as established by the Illinois department of Revenue shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
