

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul & Grazyna Lipski  
DOCKET NO.: 11-28815.001-R-1  
PARCEL NO.: 06-27-221-003-0000

The parties of record before the Property Tax Appeal Board are Paul & Grazyna Lipski, the appellants; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,594  
**IMPR.:** \$22,070  
**TOTAL:** \$28,664

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is 11 years old, and consists of a two-story dwelling of frame construction containing 2,850 square feet of living area. Features of the home include a partial unfinished basement, central air conditioning and a three-car garage. The subject property has a 12,560 square foot site, is located in Hanover Township, Cook County and is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales. These sales occurred between 2010 and 2012 for prices ranging from \$255,000 to \$315,000 and for living areas ranging from 2,850 to 3,127 square feet.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,389. The subject's assessment reflects a market value of \$341,296 or \$119.75 per square foot of living area, including land, when applying the 2011 three-year median level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested sales comparables.

#### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellants' comparable sales #1 through #3, and board of review comparable sale #2. These comparables sold for prices ranging from \$89.47 to \$117.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$119.75 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
