

**AMENDED
FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lakeview Investments, Inc.
DOCKET NO.: 11-28906.001-R-1
PARCEL NO.: 20-24-309-019-0000

The parties of record before the Property Tax Appeal Board are Lakeview Investments, Inc., the appellant, by attorney Dennis M. Nolan, of Dennis M. Nolan, P.C. in Bartlett; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$3,650
IMPR: \$3,650
TOTAL: \$7,300**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a three-story multi-family building of masonry construction with 8,718 square feet of building area. The building is approximately 94 years old. The subject building has six units, a full unfinished basement and a detached four-car masonry garage. The property has a 7,500

square foot site and is located in Chicago, Hyde Park Township, Cook County. The property is classified as a class 2-11 apartment building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted documentation disclosing the subject property was purchased in October 2011 for a price of \$73,000. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$41,709, which reflects a market value of \$417,090 when using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2-11 property of 10%. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the purchase price.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record was submitted by the appellant disclosing the subject property was purchased in October 2011 for a price of \$73,000. The Board finds the subject's assessment reflects a market value greater than the purchase price presented by the appellant. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is appropriate.
