

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Li
DOCKET NO.: 11-29110.001-R-1
PARCEL NO.: 07-27-102-020-1192

The parties of record before the Property Tax Appeal Board are Andrew Li, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,241
IMPR: \$ 8,552
TOTAL: \$ 9,793

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a condominium unit with a 0.221145% ownership interest in the common elements. The property is located in Schaumburg Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 15 comparable sales located within the subject's condominium complex.

The Cook County Board of Review submitted its "Board of Review Notes on Appeal," wherein the subject's total assessment of \$9,867 was disclosed. This assessment reflects a market value of \$103,973 after applying the 2011 three year average median level of assessment for class 2 property under the Cook County Real

Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue. In support of the subject's assessment, the board of review submitted a memo from Dan Michaelides, Cook County Board of Review Analyst. The memorandum shows that 38 units in the subject's complex, or 8.0057% of ownership, sold from 2008 to 2010 for an aggregate price of \$4,249,000. An allocation of 2.00% for personal property was subtracted from the sales prices, and then divided by the percentage of interest of the unit to arrive at a total market value for the building of \$52,013,191. The subject's percentage of ownership was then utilized to arrive at a value for the subject of \$115,022.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that all of the comparables submitted by the parties were similar to the subject, as they were all located within the subject's condominium complex. As such, the Board will take the aggregate sale price of all 53 sales submitted by the parties, which equates to \$5,284,251, and divide that by the sold units' combined percentage of ownership of 11.324295% to arrive at a total market value for the entire condominium complex of \$46,662,958. When multiplying this figure by the subject's percentage of ownership of 0.221145%, the subject's fair market value is \$103,193. This fair market value is slightly lower than the subject's current fair market value. Based on this record the Board finds the subject property had a market value of \$103,193 as of January 1, 2011. Since market value has been determined the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
