

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nanci Barfoot & James Jones
DOCKET NO.: 12-00393.001-R-1
PARCEL NO.: 21-14-21-404-020-0000

The parties of record before the Property Tax Appeal Board are Nanci Barfoot & James Jones, the appellants, and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,492
IMPR.: \$51,841
TOTAL: \$63,333

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a part two-story and part one-story single-family dwelling of vinyl siding and brick exterior construction. The home contains approximately 2,375 square feet of living area and was built in 1996. Features of the home include a partial basement and crawl-space foundation, central air conditioning, one fireplace and a two-car attached garage with approximately 457 square feet of building area. The property is located in Monee, Monee Township, Will County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 11-00211.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$63,333 based on the evidence submitted by the parties. The Property Tax

Appeal Board takes judicial notice that 2011 and 2012 are within the same general assessment period for residential property in Will County. (See 35 ILCS 200/9-215 for authority; 86 Ill.Admin.Code §1910.90(i)). For this 2012 appeal, the appellants also submitted both assessment information on four comparables to demonstrate the subject was being inequitably assessed and also submitted sales data for those four properties along with an appraisal of the subject property as of December 31, 2012 to establish that the property was overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$64,995 was disclosed. The board of review did not disclose the issuance of any township equalization factors that were issued for 2012.

As evidence in response to the appeal, the board of review submitted descriptions and assessment information on three comparables to demonstrate the subject was being assessed uniformly and also submitted descriptions and sales data on four comparables to demonstrate that the subject's assessment reflected the property's market value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2011 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2011 and 2012 are within the same general assessment period. There was no evidence presented by the board of review of the issuance of equalization. Furthermore, the record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
